<p>Intermediate Tap: Workshop will include technique and rudiments. Dancers will learn signature time steps from Bill Robinson’s Famous work, “<i>King For A Day</i>” (1934) Youtube: https://www.youtube.com/watch?v=NusZgfCQ634&t=1s Instructor: Connor Denison, Assistant: Brooke Floyd</p>
<p>Body Percussion: A practice where movement meets sound and rhythm. You will be introduced to a variety of influences from around the globe, exploring structure, form, improvisation, and musical soundscapes. We will work to develop the ear and rhythmic sensibility exploring counterpoint, poly-rhythms, space, time, shading and accents. The experience allows us to foster deeper listening skills through sensing and responding. We embody the physical and audible into a unified experience of musical expression and joyful connection. Instructors: Tasha Lawson & Connor Dennison</p>
